Ash and Isabelle were with their parents in the castle when they heard a roar.

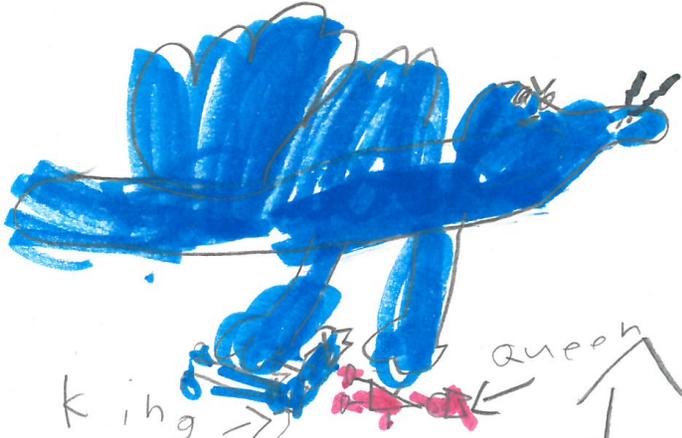

Ash and Isabelle are the Prince and Princess of the castle, their parents are the King and Queen. Ash loves climbing and Isabelle is really good at taming animals.

They were in their parent's room when they heard the roar. Suddenly the bed burst into flames. A dragon burned through the balcony door into the room. He quickly grabbed the King and Queen and flew back out the window with them! Ash and Isabelle were so angry at the dragon but they were feeling brave. They decided to go look for the dragon's cave. As they left, the whole castle crumbled behind them.

Ash and Isabelle walked into the forest and saw the dragon flying over a tree. Ash climbed to the top of the tree and tried to ride the dragon. The dragon shook him off and Isabelle threw a rope just before he fell. Isabelle tied the rope around a tree end. Ash tied his end onto the dragon's foot. Then Isabelle climbed the tree to try and tame the dragon. But the dragon could not be tamed. He bit the rope as Isabelle slid down. The dragon flew away with the King and Queen still on its back.

Ash and Isabelle had another idea. They thought they could go to the dragon's cave and attack him. They found a path of broken down trees and followed the path and found the cave. They peered in and saw the dragon trying to burn the King and Queen. So Ash pulled out his sword and tried to stop the dragon but the dragon was too quick. He bit Isabelle's leg. They hurried out of the cave to think of a better plan.

Then Ash came up with the most brilliant plan ever. The plan was to sneak up on the dragon when he was sleeping and save the Queen and King, and then kill the dragon and cave him in.

Ash asked Isabelle to stay under the tree while he went to see the King and Queen. Ash quietly snuck into the cave, pulled out the King and Queen who went to hide with Isabelle. Ash cut the dragon's head off with his sword. He signalled to Isabelle to come and help him cave in the dragon in. They climbed on top of the cave and kicked in the roof. Rocks covered the entrance and the dragon was caved in.

Ash and Isabelle were so happy to save their parents. They jumped up and down with joy. They all ran home and had a big party. The kingdom was so happy to have the King and Queen back.

**The End.**
