Super Hamburger is eight years old and he looks like a hamburger. He has two pieces of bread, meat, ketchup, mustard and cheese. He is really good at skiing, snowboarding and flying. He wanted to get his extra big snowboard back.

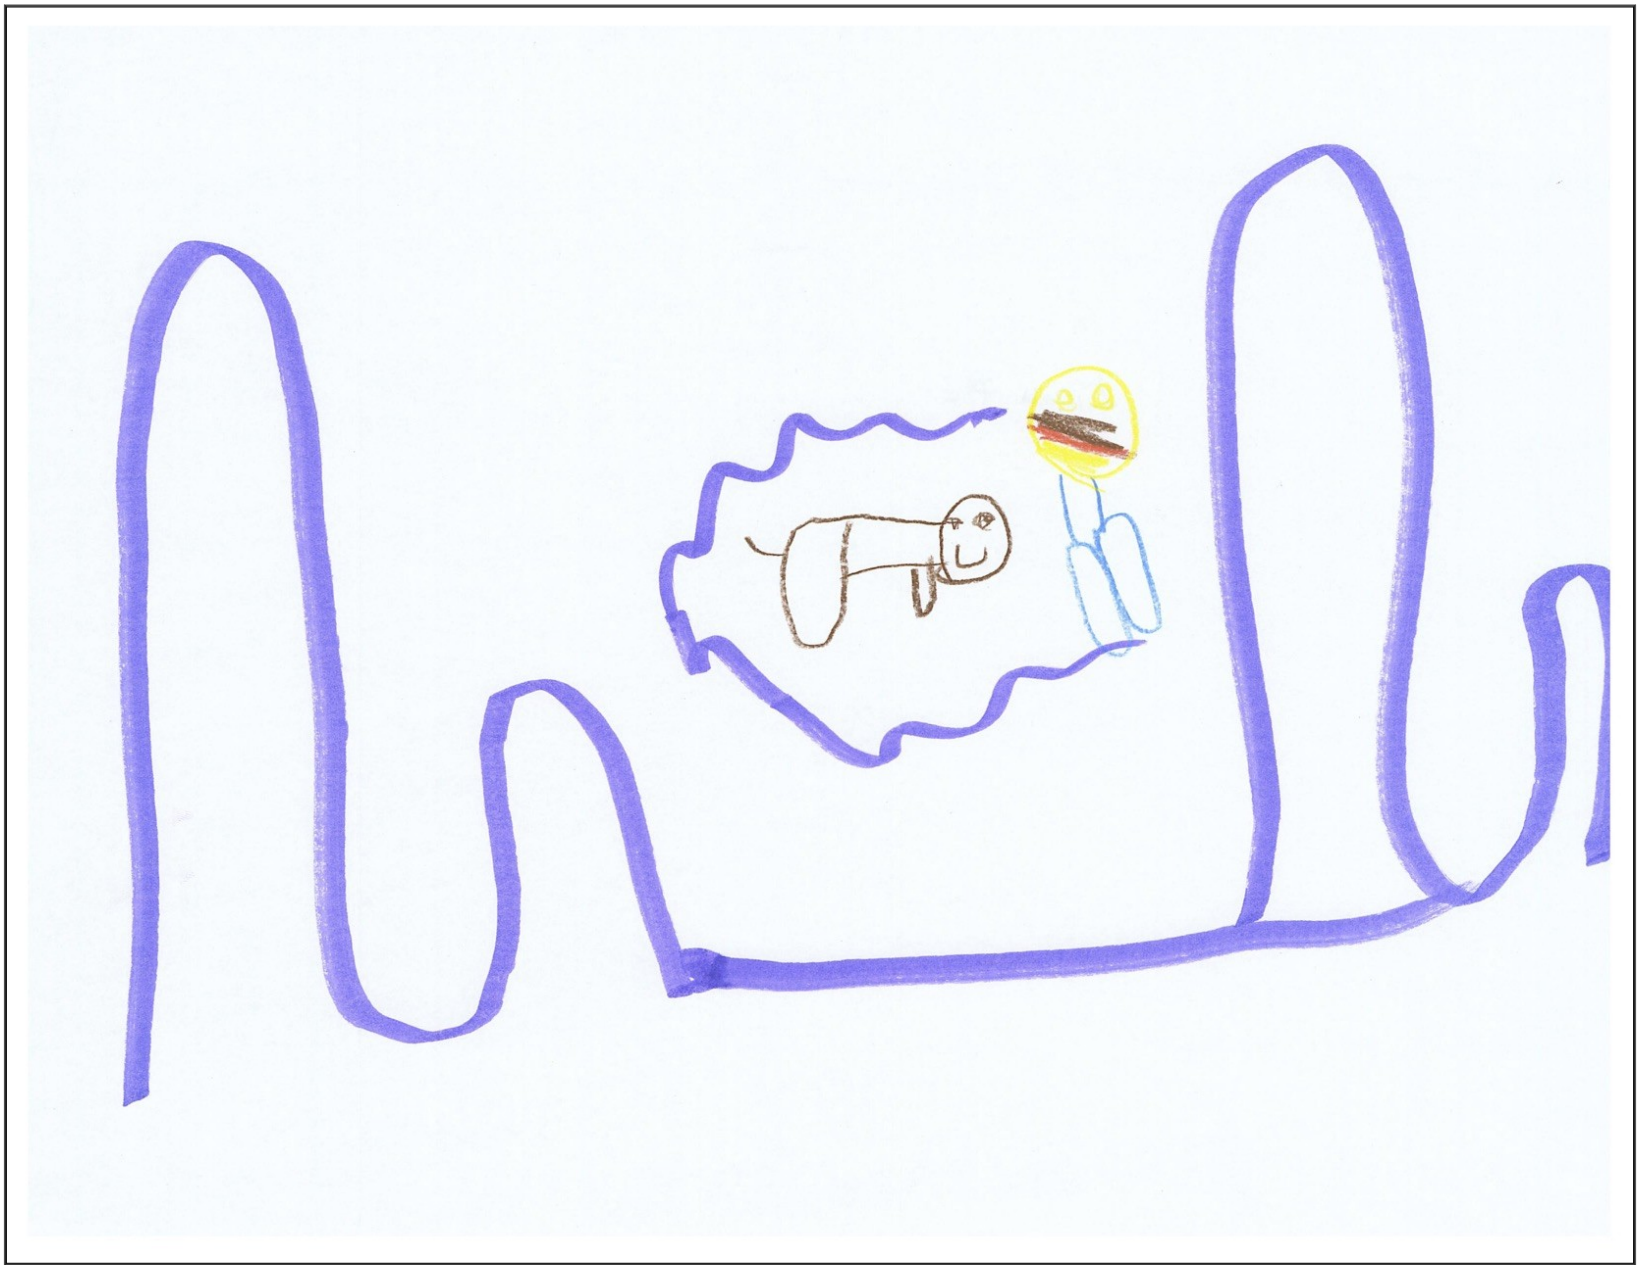

He knew it was Big Bear that took his extra big snowboard away. So he went into the cave where the bears lived and found Big Bear. He grabbed his snowboard and quickly ran off. Big Bear found him snowboarding down the hill so he went down the hill to track him.

Big Bear caught Super Hamburger and wanted to eat him, but he got away.

So Super Hamburger skied around Big Bear very quickly. Then Big Bear fell down because he got very dizzy by Super Hamburger.

Super Hamburger went back to his condo safely with his extra large snowboard
