Loilet is in the bathroom of his house feeling grumpy because he is dirty!

Liolet is a five year old pink toilet. He has eyes and a mouth and he watches over the bathroom. He is friends with the bathtub and the sink.

The bathtub and sink ask him, “Why are you so grumpy?”

The mirror looks suspicious.

Loilet the toilet is trying to create something to make himself clean. First Loilet thinks that he can make a towel to clean himself. But then Loilet remembers that the towel supplies are in the kitchen and he can't get there from the bathroom!

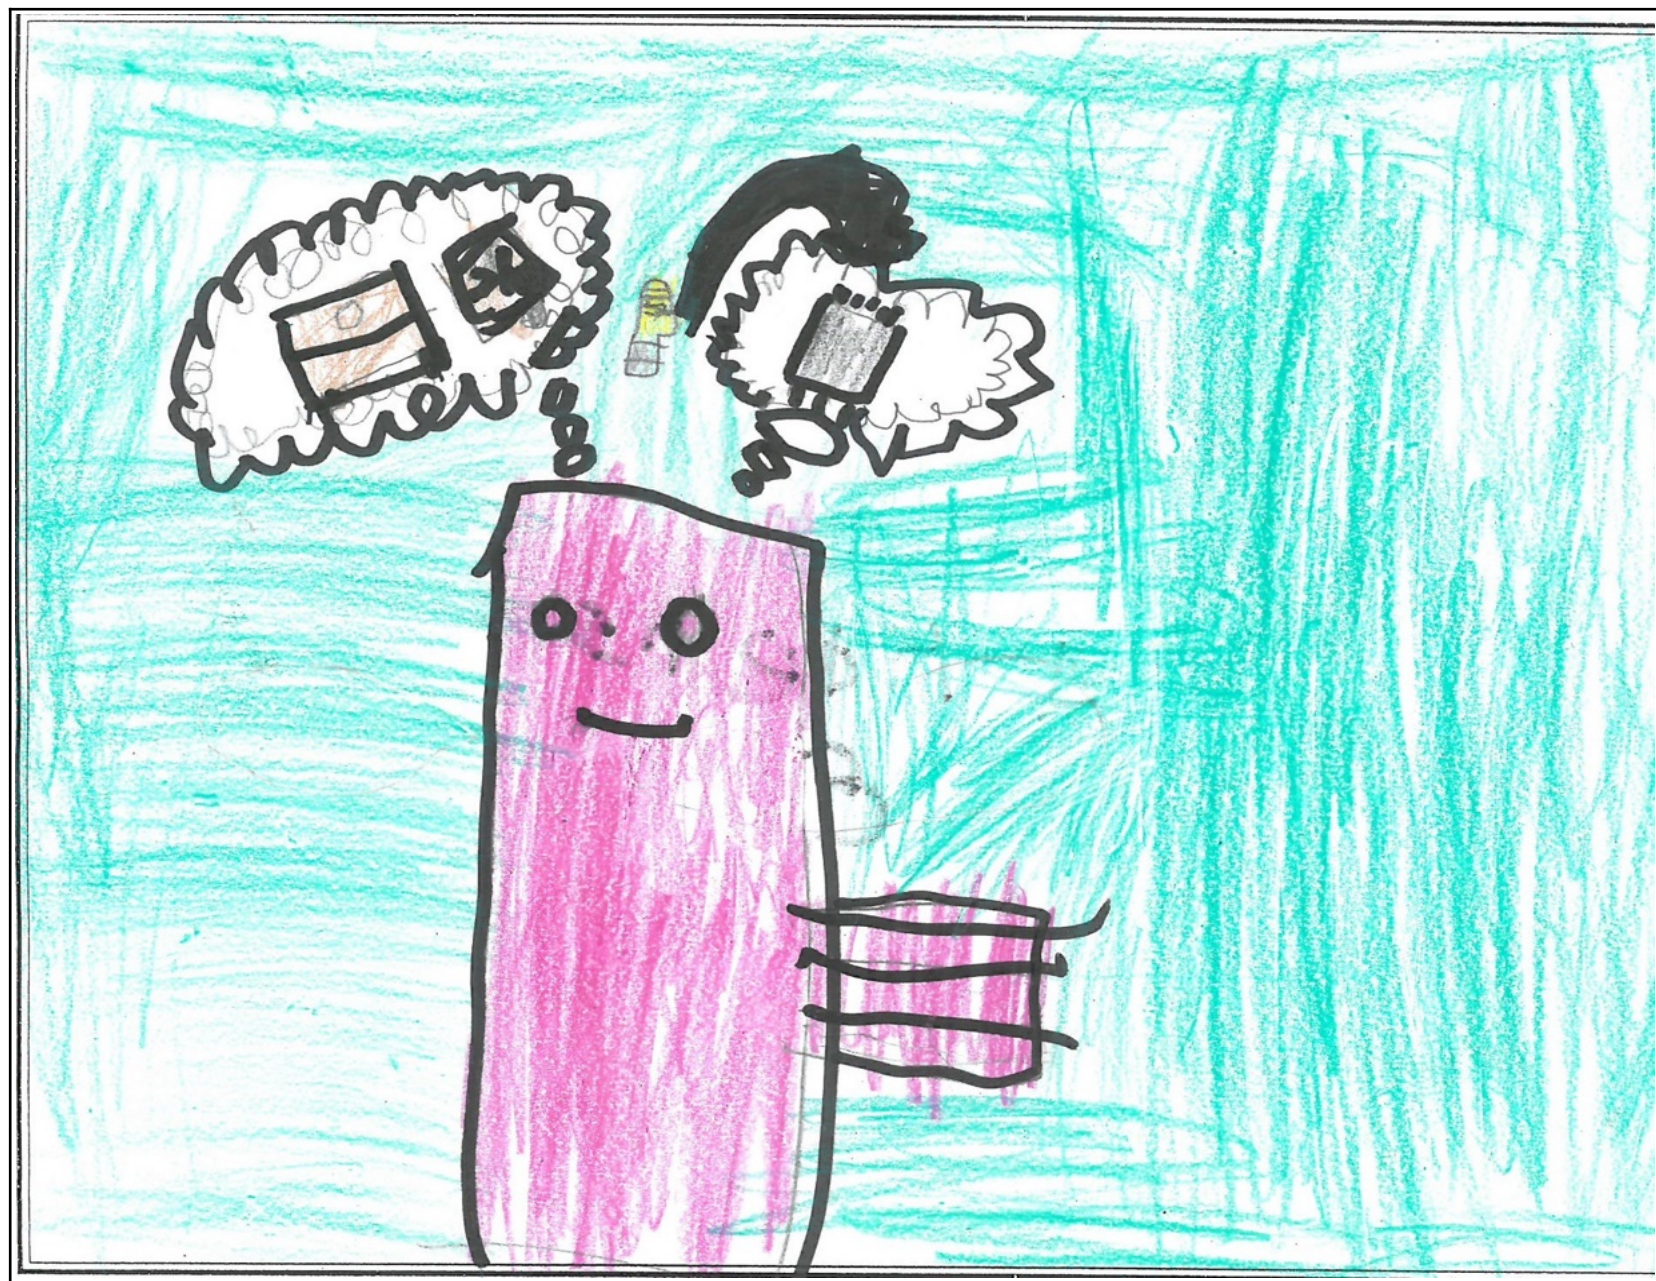

Then he tries to get something to pull all the poop out, because he is clogged. It doesn't work because Loilet is only five years old and he doesn't know how to work the electronics to unclog him.

Finally Loilet figures out a way. He gets a long plastic tube, a bucket, a towel, and some gloopy glue. He attaches the towel to the plastic stick with the gloopy glue, and then he puts it in the bucket.

It works! Loilet is unclogged!

Mirror is grumpy because he had put something in the toothpaste to cause diarrhea and he was hoping to plug up Loilet forever! Loilet was smarter than the mirror!

Loilet celebrated by eating bubble ice cream that the bathtub created!

The End.
