**BRAINSTORM A
CHARACTER &
SETTING**

Every great story starts with an awesome character and a cool setting! Peek inside this booklet and brainstorm a main character and setting for your first story. Let's see where your imagination can fly!

Brainstorm Your Character

Here are a few words to describe what my character looks like:

Here are a few words to describe where my character lives:

My character is afraid of...

because...

My character's name is:

DRAW YOUR CHARACTER

A fun fact about my character is...

My character is a...

My character is really good at...

My character is not very good at...

My character is on a mission! More than anything, my character wants....

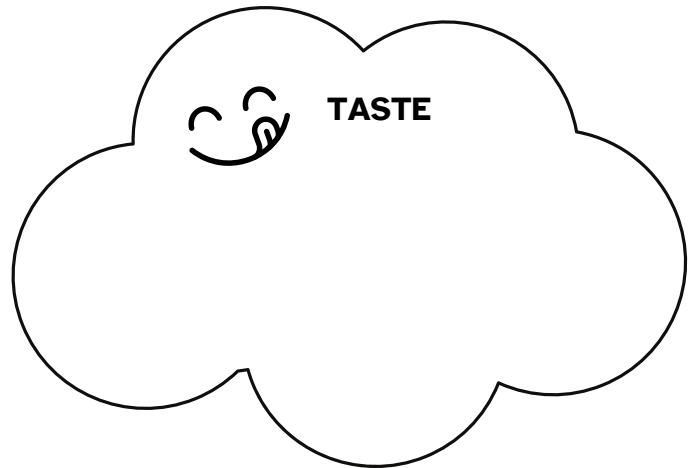

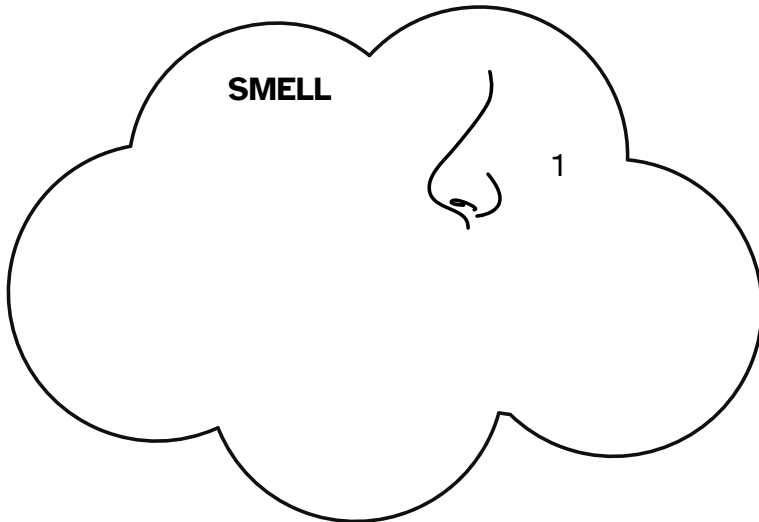

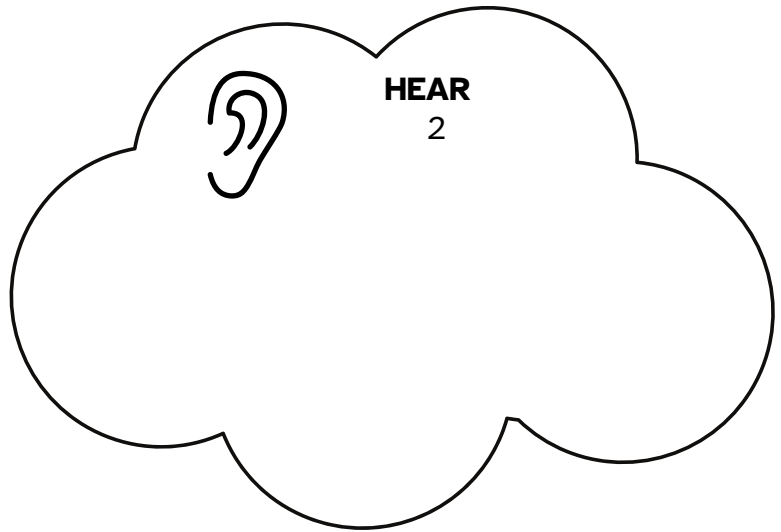

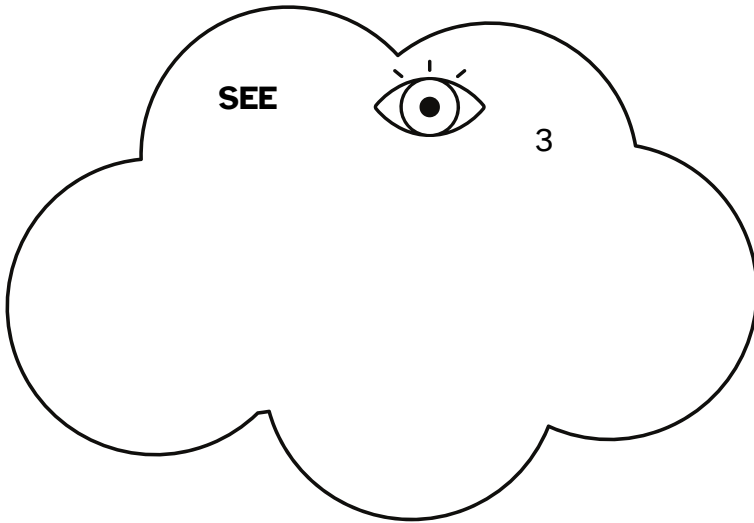

Brainstorm Your Setting

WHERE my story is going to happen:

WHEN my story is going to happen:

Imagine you are your character in this setting. What can you...

How does it **FEEL** to be there?

Hey! What's Story Maker?

Story Maker is a special writing workshop from Story Studio. This Tiny Story Maker workbook gives you a sneak peek at the exact storysheets we use in our workshops!

Our Story Maker workshops travel to elementary schools across Greater Victoria. We spend two days helping young writers imagine and write their own unique story from start to finish.

We then take these stories and publish them as bound, illustrated books. Using special equipment, we print and bind the stories, before creating two copies: one for the young writer, and one for their school library. (We make about 2,000 books each year!)

We're Story Studio, an award-winning Victoria-based charity that exists to **inspire, educate and empower young writers** through storytelling. For kids from pre-school to high school, our fun workshops and camps do more than teach how to tell a story – we build confidence, encourage creativity and improve literacy and communication skills in youth!
